Dear Parents,

Greetings to you all. During this time of concern over Covid-19 let us maximize our effort to ensure that the children remain fit in terms of their physical and mental strength. Hence we are uploading notices, messages and worksheet regularly on every Sunday on our website so that the students remain busy with studies to some extent.

If you visit our website (www.internationalprimeschoolbd.com) from your cell phone please click on menu (three straight lines on the left corner of your phone), then click on 'notice' and download the desired one.

Students may call the respective teachers at any time at their cell numbers given on the school's facebook page regarding the problems that they may face while working on worksheet. The assignment must be submitted to the respective teachers when the school opens.

For any quires please call or text me at this number 01715411353

Regards

Principal

International Prime School.
